## Principals Award

Congratulations to the following student: Lucinda Lillis

## State Swimming

Last week 4 of our girls swam at the PSSA State Swimming Carnival in Sydney. Our relay team of Gabby York, Rebekah Rae, Evie Endacott and Macy Morley did us proud in the Senior Girls' Relay event, while Rebecca and Macy also had individual swims. Both Rebecca and Macy performed with distinction. Rebecca's swim in the 50m

breaststroke put her in the top 11 in the State, while Macy swam in 4 individual events and finished in the top 15 in the State in the 50m freestyle, backstroke and butterfly! These are amazing results and we congratulate each girl on their performance.

## Farewell Mrs Ferguson

At the end of this week Mudgee Public will be saying farewell to Mrs Ferguson. Mrs Ferguson was successful in applying for the teacher librarian position at Pittwater High School in Sydney. We are very sad to see Mrs Ferguson leave and thank her for her amazing contribution to the school. We wish her every success at Pittwater High.

## Anzac Day

Anzac Day is right at the end of the upcoming holidays. Once again Mudgee Public will participate in the march and our band will play at the service in Robertson Park. Children who are marching are asked to meet on the footpath near the round-a-bout at Club Mudgee at 10am wearing their winter uniform. Club Mudgee has asked me to inform students who will be wearing medals from deceased relatives to wear the medals on their right breast. We will be holding our school Anzac Day ceremony on Friday 29<sup>th</sup> April, commencing at 12 O'clock.

## Tennis News

Yesterday, Mrs Parkins took our tennis team of Ryan O'Connor, Brandi Colley, Jonica Rooke and Reed Clarke to Dubbo to play against Bourke Public in the Western Region Knockout. Our players won all matches and are through to the next round.

## Cross Country

Our school cross-country was held today. At the time of the newsletter

being printed results were not to hand, so I look forward to reporting on the event in the first newsletter in Term 2. In week 2 next term – Friday May 6th, our school cross-country team will participate in the Zone cross-country to be held in Rylstone.

## Year 7 2012

Tomorrow evening at 7pm, Mudgee High School is holding an initial information evening for parents of students who will be commencing Year 7 next year. I encourage all parents whose child is commencing high school next year to attend this meeting.

## Easter Hat Parade

With Easter at the end of the holidays, our annual Easter Hat Parade will be held this THURSDAY under the infants COLA, commencing at 12 o'clock. A wonderful event which I encourage parents, grandparents and family friends to come along to watch the children on this special day.

## Jelly Bean Mufti Day Thursday

Thursday will be a mufti day across the school. Along with our Easter Hat parade in the infants, we are holding a mufti day to support research into Type 1 diabetes. We are aware that we have and also have had students at the school who are dealing with this condition and we are therefore keen to do our part as a school community to help research in this area. Children are encouraged to come dressed in the colour of their favourite jelly bean. A gold coin donation from all students would be most appreciated.

## End of Term 1 Beginning of Term 2

This Friday is the last day of Term 1 (yes, it has flown by). As I've

already mentioned, for those who can, we will be marching on April 25th as a school. Tuesday 26th is a public holiday, however, all staff will be involved in a staff development day on this day. Wednesday 27th will be the regular staff development day for all schools across NSW. All classes will resume for Term 2 on Thursday 28th April. To all families, I wish you a safe and happy holiday. May the wonderful hope of Easter be with you all at this time of the year.

Principal

## Stage 2 Swimming

Congratulations to all the children who participated in the Stage 2

Swimming Program over the past six weeks. Most children improved their swimming style and distance they can swim. Several students can now swim 50metres freestyle or backstroke, some are able to do both. A big "Thank You" to Kylie Marshall and Sharon Beard who volunteered their time each Thursday to help make this program a success and to the P&C for donating the cost of bus transport. I am looking forward to running this program again in 2012.

Coordinator

## Fete Photographs

Pony ride photos taken at the recent fete are available for collection from the Front Office at school.

## Crunch & Sip

### Spring fruits

The juicy oranges and delicious pears are almost finished for another year, and students are looking forward to munching on the new season rockmelons, mangos and pineapples during Crunch & Sip.

Children love variety, so why not send a combination of these fruits chopped in a small container for your child to enjoy for Crunch & Sip. Make sure the fruit is in manageable sized pieces, to help reduce mess. A paper serviette provided with the fruit is also a good idea to dry juicy hands
