School Improvement Team

Evaluation of last 3 years is well & truly underway. This information is going to help us put together our School Management Plan for 2012 & beyond.

L3 Results

L3 is a Literacy program our Kindergarten staff are being trained in & are implementing in class. Last week the initial results were given to me. The results are quite outstanding.

NAPLAN Results

Our 2011 NAPLAN results are coming out this week. These results, along with other pieces of information, will be looked at to help us evaluate what we're doing and plan for the future.

2012 Kindergarten Planning

Jolly Gym finishes this week with Mudgee Beginners commencing early next term. I am anticipating 4 straight kindergarten classes and 1 K/1.

Performing Arts

Wonderful CLC concert & students in years 5 & 6 will be participating in the first CLC band camp this week under the guidance of Mark Walton.

School Photos

Next week will see Master School Portraits come to take our 2011 school photos.

Library Position

The process is under way & should be completed before the end of this term. Candice Stott is the parent representative on the panel.
